Arianna Huffington Presents Keynote Speech at the Specialty Coffee Association of America Exposition, April 15

Huffington Keynote Presentation Kicks Off World’s Premier Coffee Event in Anaheim, Calif.; Tickets On Sale to the Public

LONG BEACH, Calif. U.S.A. (Feb. 11, 2010)—Arianna Huffington headlines the Specialty Coffee Association of America’s (SCAA) 22nd Annual Exposition opening ceremonies, April 15 from 5:30 to 7 p.m. at the Anaheim Convention Center. As SCAA’s 2010 keynote presenter, Huffington is set to present “How to Be Fearless in Uncertain Times.” The presentation is open to the public and tickets are $45; or one day pass tickets that include full access to the show floor as well as the keynote presentation are also available for $45. SCAA is the world’s coffee authority and largest coffee trade association. Visit www.scaaexposition.org to register.

Huffington’s SCAA presentation, for coffee professionals and the local community, explains how to thrive in the face of adversity. Her session provides real-world tools and a powerful perspective on how overcoming one’s fears is particularly crucial in a challenging economic climate. Huffington says that in today’s uncertain times, it’s hard to figure out what’s best for yourself, your employees and your business. Her “How to be Fearless” presentation challenges the coffee and tea industry to dare to think new thoughts, take big risks, embrace failure and start again. Huffington believes this will ultimately lead both people and businesses through the toughest of times.

The keynote presentation is just one of the highlights at SCAA’s 22nd Annual Exposition & Symposium opening ceremonies. Also taking part, coffee expert Daniele Giovannucci, co-founder of the Committee on Sustainability Assessment, looks at “Optimism and Opportunity in Specialty Coffee.” In addition, the Opening Ceremonies feature SCAA’s 2010 Portrait Country: Guatemala. The country has more than 90,000 coffee growers, cultivating coffee within an agro-forestry system that protects biodiversity, air, soil and water resources.

As the industry’s premier coffee event, the conference features in-depth educational sessions, hundreds of exhibit booths, the United States Barista Championship and the Coffees of the Year Competition.
